15th March 2023

To,

Shri Ashish Sharma
Counseller & Head of Chancery,
235 EAST 43RD STREET
New York

Safe To Host Certificate
To whomsoever it may concern :

Application Name	:Permanent Mission of India to the UN New York
Test URL	: https://audit.pminewyork.gov.in/
Website URL	: https://www.pminewyork.gov.in/
Audit Date	:10.02.2023 to 13.02.2023
Compliance Verification Date	:09.03.2023
Hash Value	:912f8326fa1845a32cd9779dd2271507

The above web application has undergone through IT (Cyber) Security Audit by our organization through provided Test URL as per guidelines, advisories, white papers and vulnerability notes issued by Indian Computer Emergency Response Team (CERT-In) and National Critical Information Infrastructure Protection Centre (NCIIPC). We also tested the URL of the web application against various Web Security Standards like Open Web Application Security Project (OWASP) Top 10 Web Risks, SANS Top 25 Software Errors, Common Weakness Enumeration(CWE), Common Vulnerabilities and Exposures (CVE), The Web Application Security Consortium (W3C) and Web Content Accessibility Guidelines (WCAG) etc.

Conclusion: On the basis of audit outcomes It is certified that the above application is safe from any known vulnerabilities as on date.

The Certificate shall be deemed invalid if the underlying IT infrastructure of the web application gets modified after compliance audit.

Other Recommendation:

1. The audit of web application shall be carried out at least once a year or as and when any significant upgradation of its process and computer resource.
2. Web Server Security and the OS hardening need to be in place for the production server, it is also recommended to deploy and proper configure the SSL.
3. Web Application should comply with Guidelines for Indian Government Websites (GIGW).

This Certificate valid for one year from the issue date.
