**REQUEST FOR PROPOSALS (RFP)**

Permanent Mission of India to the UN, New York invites proposals from interested General Contractors/flooring work companies to undertake the following work in one of the government-owned apartments located at 200 East End Avenue, New York.

**Scope of Work:**

- Remove damaged/soiled wall-to-wall carpeting;
- Install hardwood tiles - “sound attenuating” material needs to be used as an underlayment.

The contractor should meet the requirements of the building management before award of work. It may be essential to submit a detailed drawing & scope of work for the carpet removal and floor installation to the Management Board of the building for approval. Contractors may also be required to file reports and obtain certification from the Department of Buildings. During the installation of a new wood floor “sound attenuating” material needs to be used as an underlayment and needs to be in the scope of work. The contractor needs to provide evidence of general liability and workers compensation insurance.

Please contact the Mission to schedule a site visit to assess the nature of work and for taking measurements/pictures.

For any queries or clarifications, please contact the Mission at the following address:
